CONSULTATIONS

Take Out The Guesswork

We will be the first ones to say that aircraft ownership doesn't make sense for everyone; however, those that it does only say that they wish they had done it sooner.

Whether you are someone looking to purchase an an owner/operator, a company looking to improve connectivity and reduce time away from home, or someone who appreciates the luxury of setting their own schedule and having control of their environment, we are here to help. We take great pride in advising our customers the very best we can to ensure that their aircraft needs are met as effectively as possible.

LARGE CABIN/VIP AIRCRAFT

Bring Your Team With You

BOMBARDIER

Wetzel Aviation Commercial Aircraft Department offers purchase and resale services to airlines, finance companies, and governments to support their large cabin airliner and large cabin VIP transactions.

Our fully integrated exclusive brokerage services include VIP completions oversight, engine purchase & resale, and a worldwide team of support professionals and strategic partners to oversee your large cabin VIP & commercial aircraft transactions. Everything from head of state large cabins to commercial/regional jets and turboprops, we have you covered.

AIRCRAFT ACQUISITIONS

Your Aircraft Matchmaker

We don't want to just sell you an aircraft, we want to build a relationship.

We fully understand the world of aircraft ownership and private travel and we want to use that knowledge to help you see the many benefits that it has to offer. Whether this is your first aircraft purchase or your fifteenth, we will do everything within our power to best advise and advocate for you in your next transaction. As a company, we have done hundreds of transactions so we know what makes a good deal and what doesn't. We know what to look out for so that you can avoid the headaches and instead focus on what your next trip destination might be.
